

## A Note From Pastor Julie

---

Recently, I attended Clergy Camp at Lake Michigan Camp and Retreat Center in Pentwater with other clergy and their families from the Albion and Grand Rapids Districts of the West Michigan Conference. Through this retreat I spent three days away from the usual rhythms of life to hang out with other clergy and their families and to reflect on where God is very much at work all around. We took time to dig into scripture, pray, and listen for how a particular scripture passage is touching our lives. I came away from this retreat feeling refreshed, yet challenged to find ways to pause for reflection each day.

It is all too easy to get caught up in our life rhythms and neglect to set aside intentional time for prayer and reflection. Even in the week-to-week activities of serving as pastor of both Quincy and Litchfield United Methodist Churches, as well as in my roles as wife and mother, opportunities for daily reflection can easily get squeezed out. Being intentional about setting aside time is important and sometimes takes a bit of organizing just to make this time and space possible. Some days my quiet time with God comes when I am feeding my baby or washing dishes.

When we think that we can handle everything on our own and do not have time to reflect, we must be reminded that Jesus took time away from his rhythms. Even Jesus, who is God in the flesh, needed to take time apart to pray and reflect. He needed a break from his work of teaching, preaching, healing, performing other miracles, and saving the world. He needed that time with God the creator to prepare himself for the next step in his ministry. In Matthew 14:23 and Luke 6:12, we read that Jesus went up a mountain to pray. In Luke 22:41-44, Jesus prayed at the Mount of Olives right before he was arrested. If Jesus needed time for prayer, so do we.

One of my favorite ways to reflect and pray is through a spiritual discipline called Lectio Divina. This practice can take 15-30 minutes or even longer, depending on the length of the passage and how much time you set aside to read and reflect. Over the course of the time, you read the passage four times. First, you read it with no agenda, just read/listen. The second time, you search for the word or phrase that leaps out at you. The third time, you reflect deeper on that word or phrase and pray that God would speak to you through this passage. The fourth time, you read or listen to this passage with fresh ears. If you are participating in Lectio Divina for the first time, I would recommend reading/listening to 3-4 verses of scripture.

If you would like to learn more or try Lectio Divina, I would be happy to visit with you and tell you more about it. If you have a computer, you can check it out online at <http://alivenow.upperroom.org/audio-lectio/>. May God bless you in your time of reflection and prayer.

You can tell the temperature by listening to a cricket chirp. For the temperature in degrees Fahrenheit count the number of chirps in 15 seconds and then add 37. I have a lot of great memories from the swamp. I remember when I was little, we'd all just sit out on our lily pads for hours and hours, rocking gently on the water and listening to the soft sweet sound of chirping crickets... Then, of course, we'd eat the crickets, but that's another story. Kermit the Frog.

A two-inch square of Velcro is strong enough to hold a 175-pound man from the ceiling.

Leonardo da Vinci invented and used an alarm clock in which water flowed in a thin stream from one receptacle to another. When the second receptacle was full, a system of gears raised his feet into the air. I wonder if that's why my Mom would say, "time to get up"!

A ten-gallon hat only holds about three-quarters of a gallon of liquid.

Is humid air causing heat rash (or prickly heat) for you? Rub a slice of raw potato over the affected area. The potato's juices reduce irritation and skin inflammation.

The word 'salary' comes from the Latin solarium, meaning 'payment in salt.' Roman soldiers were paid partially in salt, a highly, valuable commodity at the time.

The City Wide Yard Sales sold \$355.00 for the Church, -\$25.00 was for the Food Pantry - and \$330.00 for the Free Summer Lunch Program and VBS, to be split.

A HUGE THANK YOU to Mark & Kathy Blonde for hosting this sale and those who helped in any way. May God bless you abundantly!

## LITCHFIELD GIRL SCOUTS

---

I, Mary McDonald, started as a leader 3 years ago with only 3 girls as Daisies. Now 3 years later, I have 15 girls (5 Daisies and 10 Brownies). Angela Forant has been the Junior leader for 5 years and started Daisies with 3 girls; she now has 5.

This year we have done 3 lock-ins, 2 of which we earned badges and 1 just for fun. The girls have had a blast this year. Juniors have earned 5 badges and 1 journey. The Daisies have earned 5 petals and the center and 1 journey. The Brownies have earned 6 badges and 1 journey.

- ⇒ June 27-28, 2014, we will be going to the Toledo Zoo as an overnight trip and they will earn another badge.
- ⇒ July 13-15, 2014, we will be going to Girl Scout Camp in Linden, Michigan.

In October we collected canned goods for the pantry as a community service project. We donated 20 boxes of cookies to the pantry. The juniors donated 12 boxes to the Litchfield Fire/Police Department.

We did our Bridging Ceremony, on June 1, 2014, with 51 people in attendance. I had 2 go into Brownies, and 2 into Juniors and 3 into Cadettes. I have 13 girls coming back next year and Angela has 5.

## CROP Walk

---

This year on May 4, our church had seven walkers: Laura Cierpilowski, Cheryl Sykes, Debra Barrington, Glenn Hackworth, Tamara Williams (our District Superintendent), Pastor Julie and little Oliver. They collected a total of \$787.00.

I wish to thank them, not only for walking, but also for their time and effort collecting pledges. I also thank all of those who gave so generously to support the walkers. There were 59 walkers for the county and a total of \$6510.70 collected that day. Twenty-five percent (25%) of the total stays in Hillsdale County, with \$400.00+ coming back to our local food pantry.

# Imagine No Malaria

---

Every minute, malaria claims another victim. As United Methodists, we can help stop this preventable, treatable, and beatable disease from destroying Africa. The West Michigan and Detroit Annual Conferences have made a commitment to raise \$1.5 million for Imagine No Malaria, our denomination's fundraising effort to stamp out malaria. As of June 12, 2014, the amount raised is \$802,704.

At Sweet Corn Days, Litchfield United Methodist Church will be doing its part. All proceeds from our bake sale will go toward Imagine No Malaria. This is an opportunity not only to raise funds, but also to share with our community the facts about this disease. Let us bake in abundance, tell our friends and acquaintances to buy our scrumptious goodies, and raise lots of money to stamp out this preventable, treatable, and beatable disease!!

## Tables and Chairs Borrowing Policy

---

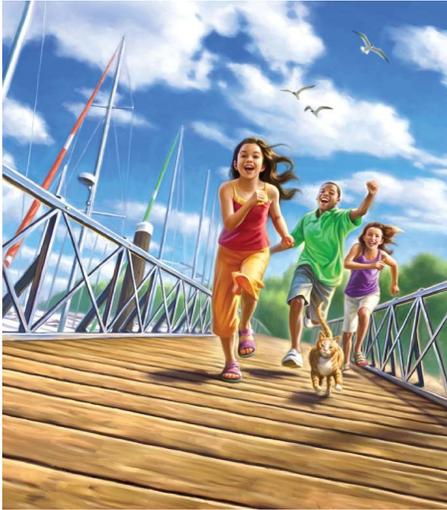

Several months back, the United Methodist Women ordered new plastic tables and padded chairs to be used by the church with the stipulation that these plastic tables and padded chairs not leave the church building. The tables that may be borrowed and used for activities outside the church building are the older, heavier tables. When borrowing church tables and chairs, please bring them back immediately following the event for which they were borrowed. If you would like to borrow the tables and chairs for an off-site event, please contact Carol in the church office at 542-3366.

# Vacation Bible School Coming Soon

---

## **Gangway to Galilee**

**August 3-7, 6:00-8:30 p.m.**

Vacation Bible School will be here before we know it. A fun, five-day program, “Gangway to Galilee: Amazing Grace Adventures,” is being organized. Beginning on Sunday evening, August 3, and running through Thursday, August 7, children age 3 through Grade 8 will meet together at the Litchfield United Methodist Church. Zach Hiser is leading a Young Teen group for students going into Grades 6-8, a great addition to this year’s program.

Evening activities include Seashore Stories about Jesus by the Sea of Galilee, Splash-tacular Crafts, Sunrise Snacks, Big Catch Bible Challenge, and Sink or Swim Games. Continuing the water theme, the boys and girls will be invited to bring offerings to support a water purification project in the Democratic Republic of the Congo in south-central Africa. This project is sponsored by the United Methodist Church. Once again, a high-spirited competition to raise the most money is expected between the boys and girls. Someone is going to get “water logged.” Who will it be?

It’s not too early to start inviting children to VBS and praying for all the wonderful workers who will help the Guppies, Starfish, Pelicans, and Seagulls enjoy learning about Jesus and his work by the Sea.

Do you have items that we could borrow for decorating? We are looking for small boats, paddles, anchors, life jackets and preservers, blue tarps, lighthouses, sea shells, fish nets, paint (blue, tan, brown, and white). Most likely, any item associated with water and fishing could help us create the Sea of Galilee and its shoreline. We can also use modern-day nautical items. Please let Becca Roberts or Sharon Thompson know if you have something to share. We would be grateful.
