

A Note From Pastor Julie

Summer is here – well unofficially since Memorial Day, but officially begins on June 21 at 12:38 pm EST according to the Farmer’s Almanac! After another snowy winter and a relatively cool spring, it’s time to enjoy all that summer has to offer, including picnics, excursions to your favorite ice cream shop, outdoor swimming, camping, water sports, boating, watching beautiful sunrises and sunsets, and lemonade on the very hottest days! Recently, David, Oliver, and I took our first kayaking venture of the year with a friend on the Kalamazoo River between Hanover Rd. and Folks Rd., somewhere between Litchfield and Concord. Even though the sun was behind the clouds and rain was threatening, we wanted to be out enjoying God’s creation.

When we arrived at the place we planned to enter the water, we discovered that many other people had the same plan we did. At least twenty vehicles already lined the road, however, we were still not deterred. Instead of putting in where the others were getting into the water, we decided to put in on the other side of the bridge. Our friend seemed to get into the water fairly gracefully, despite the muckiness. Then, I helped Oliver get into David’s kayak, and ended up getting into the muck above my knees. It was pretty gross and I ended up tearing one of my Crocs as I freed it from the muck. Eventually, I made my way into the water, past the muck and to the cleaner water where I actually got into my own kayak.

As I kayaked with my ‘crew’ down the Kalamazoo River for the next hour and a half, I reflected on what a blessing it was to see things I do not get to see from traveling on the road. I saw a turtle sitting on one of the rocks just watching the multitudes travel on by. I also saw a muskrat carrying something as it swam off to my right. A section of water lilies appeared at one point, welcoming and encouraging our journey. In addition, I got to watch 18-month-old Oliver simply enjoy himself, taking in all his surroundings, and watching bigger kids kayak and canoe with their parents.

Later, I found myself wondering what other parts of life and the world many (myself included) do not see and experience because the journey may be too time consuming or take more effort than usual. God is all around us, reminding us to take time to truly be in God’s presence at all times, in all that we do. Sometimes when we look up from our norm and focus on what “seems” so important at the time, God reminds us that the true focus of our hearts and minds is serving God and others, as well as being in the presence of the Lord.

My hope and prayer is that we all experience God in amazing ways throughout this summer!

Blessings,

Pastor Julie Elmore

Ah, Fresh!!

We knew it would come. The days stay light longer. The temperature is on the rise. The ground warms and we see new life again. And the Farmers' Markets are opening for business.

The vendors start the season off slow bringing items such as maple syrup, locally grown popcorn, and flowers to plant and enjoy.

The spring is still early, but soon there will be more to offer at the markets. Strawberries and sweet corn coming up from the southern states hold us over until the locals can harvest. It will be an anticipated harvest of fresh and good-tasting vegetable varieties since most are just sprouting through that warm ground.

We breathe in scents of lilacs, lily of the valley, honeysuckle, and fresh mowed alfalfa/hay. "Ah, ah, ah-choo" for some. Those scents bring pollens, too, turning that freshness into stuffy, blocked sinuses for some. This can really make it a challenge to see and experience new life. With the right changes and possibly over-the-counter allergy relief, clearer days can be ours.

June is kick-off to summer, with people on the move, weekend celebrations, day trips, traveling, and more. This is a gradual change we all look forward to. Just as the Farmers' Markets will gradually increase varieties of foods offered, we, too, can add to our growth and experience with other Christians.

If you're away from home on some of those summer weekends, look for "road side" opportunities to connect at a church along the way. Take daily scripture readings with you such as the Upper Room. Or, connect with Our Daily Bread through the internet. Try one of those Christian radio stations in this area, 89.3, 90.1, 90.9, or 96.7.

Keep adding to a newness within you. Three minutes a day with thought toward God can lead to a fulfilled and quenched spiritual appetite.

*"...those who become Christians become new persons...A new life has begun!
All this newness of life is from God, who brought us back to himself through what Christ did."
2 Corinthians 5: 17-18*

Take in some fresh, take in some God.

"He has created us anew in Christ Jesus." Ephesians 2:8

Litchfield UMC to Participate in Vital Church Initiative “Phase 1”

The Litchfield United Methodist Church has been invited to participate in an opportunity called Vital Church Initiative “Phase 1,” which will begin in January 2016. Vital Church Initiative (VCI) is a process with resources, tools, suggestions, and support that helps congregations move forward (from wherever they are), becoming better Disciples of Jesus Christ for the Transformation of the World. Litchfield UMC is one of a limited number of

churches that have been invited to explore this opportunity because leaders in the Albion District sense that Litchfield UMC is already demonstrating vitality and showing a potential to continue to grow and learn. Being invited to be part of this opportunity is a compliment to our church leadership and congregation!

At their May 2015 meeting, the Administrative Council voted to participate in a special three-session event in Fall 2015 to help us evaluate our own “Ministry Potential and Vitality” before beginning VCI. These sessions will build upon each other and help us do some very healthy looking at ourselves and reflecting. We will be doing so in the company of other churches in the Albion District that are doing the very same thing. Attending this three-session event does not obligate us to go forward with VCI Phase 1.

What an exciting way for us to respond to Jesus’ invitation in Matthew 4:19, which says, “Come, follow me,” he said, “and I’ll show you how to fish for people.” (CEB) More information can be found at <http://www.westmichiganconference.org/pages/detail/2706>. If you have any questions, please contact Pastor Julie at 517-607-6977 or jjelmore@gmail.com.

OUTREACH—Pantry News

Good news for the Pantry which just received a grant through **Hillsdale County Community Foundation** in the amount of \$2500. This was deposited into our account at South Central Michigan Food Bank in Battle Creek. This should help our pantry for much of the rest of 2015. However, this is not the only source of food for the pantry.

Through the **Meijer Simply Give program** we received some money from the double and triple match donations from the recent campaign. Thank you all who contributed! Over the past year and a half, Kathy Blonde has developed a good relationship with Meijer and she's made them aware of our food pantry. They continue to rotate us into their Simply Give Program at different times through the year.

Meijer now has a new way to offer our pantry greater discounts on items we order. Kathy will place orders for the pantry online through the Meijer order site. The stock will come from the warehouse and be ready for pick up. No more shopping and taking stock from the store shelves. Plus the Simply Give account will go further with the greater discounts! Thank you, Meijer!

Something that needs our attention is the **need for more volunteers**. Do you know someone, young or old, who has time on their hands and who could use a little encouragement from YOU to come join our Pantry volunteer team? Please think of who you may know and then tell them about the wonderful work our pantry is doing in our community and county. The work is not hard and it would only be 3 hours per month! Help a friend or neighbor get involved!

Kathy continues to lead the pantry very successfully, but could really use another person to learn the things that she does and perhaps alternate the responsibility with her. Kathy wants the pantry to be prepared and carry on seamlessly in the event she is unable to place orders. You can contact Kathy at her home, 517-542-3672, or leave a message at the church office if you are interested. We offer up this request to prayer knowing someone or someones will listen to the Lord speaking encouragement to their heart.

Attention Gardeners!

If you have surplus from your gardens this summer, please remember the pantry would love to include fresh fruits and veggies in our pantry offerings! Thank you all who have grown and given so generously in the past! It is much appreciated!

Vacation Bible School

“Hometown Nazareth: Where Jesus Was a Kid.”
Sunday, August 2-Thursday, August 6, 6-8 p.m.
For children, age 3-Grade 6

VBS planning is well under way for another fantastic time of learning. We have an exciting theme as children will go back in time to experience life as Jesus did when he was a boy. In addition to singing new songs, engaging in Bible stories presented by his mother, Mary, and participating in games that Jesus may have played, each night children will visit the Nazareth marketplace. Stations in which they may choose to stop include the food market, carpentry shop, bead bazaar, dye shop, synagogue school, olive oil shop, and farmer’s field.

We still need some helpers before and during the week of VBS. If you would like to be part of this dynamic church ministry, please contact Sharon Thompson (542-3315) or Pastor Julie. Soon, we will post lists of items we need for the marketplace or for decorating on the bulletin board. Thank you.

We appreciate all prayers for the children who attend and the workers who will teach and supervise these young ones.

Thank You

To my loving church family and friends -

When families are going through difficult times the outpouring of love and concern from others means so much. Your faithful prayers for my sister, Sharon, while she was fighting cancer provided great encouragement to both her and her family. We miss her deeply, but are comforted in knowing she is now with the Lord and one day we will be reunited. God bless you for your loving support!
